

KINGDOM KULTURE MINISTRIES

ANNUAL REPORT 2025

A WORD FROM THE FOUNDER

Over the past year, Kingdom Kulture Ministries has dedicated itself to uplifting the community and uniting women from diverse backgrounds to empower, support, and share the gospel of Jesus Christ. We hosted self-care workshops where women came together in fellowships sparking new friendships and great conversations. We hosted the second annual Queendom Conference where women explored topics such as purpose, marriage, building healthy relationships, healing from trauma, and personal growth in all aspects of life. Participants left feeling fulfilled, empowered, and motivated to pursue their true purpose.

As we wrapped up the year, we partnered with local ministries and non profits to offer encouragement and serve a meal to residents.

Kingdom Kulture Ministries's impact would not be possible without the invaluable contributions of our volunteers, speakers, board, staff, and attendees. I am deeply thankful for everyone who supports our ministry and for the chance to serve as the hands and feet of Jesus. Thank you all for your generosity and dedication! I eagerly anticipate what 2026 has in store for our ministry.

INTRODUCTION

The year 2025 marked a powerful season of growth, service, and spiritual impact for Kingdom Kulture Ministries. Through conferences, community outreach, media initiatives, and intentional fellowship, God allowed our ministry to touch lives, strengthen faith, and build meaningful connections among women from diverse backgrounds. .

This annual report highlights the milestones, testimonies, and stewardship that shaped our year and reflects our continued commitment to sharing the gospel of Jesus Christ with excellence and compassion. We are grateful for every partner, volunteer, speaker, and supporter who helped bring this vision to life

ESTHER DAY 2025

Esther Day 2025 was an afternoon devoted to beauty, wellness, and soul care, creating a warm and uplifting space for women to be refreshed both inside and out. Our guests received practical guidance from BrowHaus CLT on skincare, from The Savvy Business Consultant on health and wellness, and enjoyed a beautifully curated grazing board by The Dainty Table.

Donny Durham Productions blessed attendees with professional headshots, adding a meaningful and tangible takeaway from the experience. The atmosphere was filled with joy, encouragement, and authentic connection as women fellowshiped, shared stories, and built new relationships. This gathering reminded us of the power of intentional community and self-care rooted in faith.

QUEENDOM CONFERENCE

KINGDOM CULTURE MINISTRIES

2025

The 2025 Queendom Conference marked our second annual gathering and was truly an amazing and transformative experience. Women traveled from near and far to North Wilkesboro, North Carolina, coming hungry for healing, restoration, and clarity of purpose. God moved powerfully throughout the conference as lives were changed, hearts were stirred, and faith was strengthened through worship and the Word.

We were honored to host dynamic speakers including Visionary Sonya Gilreath, Joann Burnette, Minister Angela Manning, Apostle Jeanette Ingram, and Lynisha Ochogu, along with an anointed worship team that ushered in God's presence. Vendors from across the region also joined us, creating an environment of fellowship, creativity, and support for women-owned businesses.

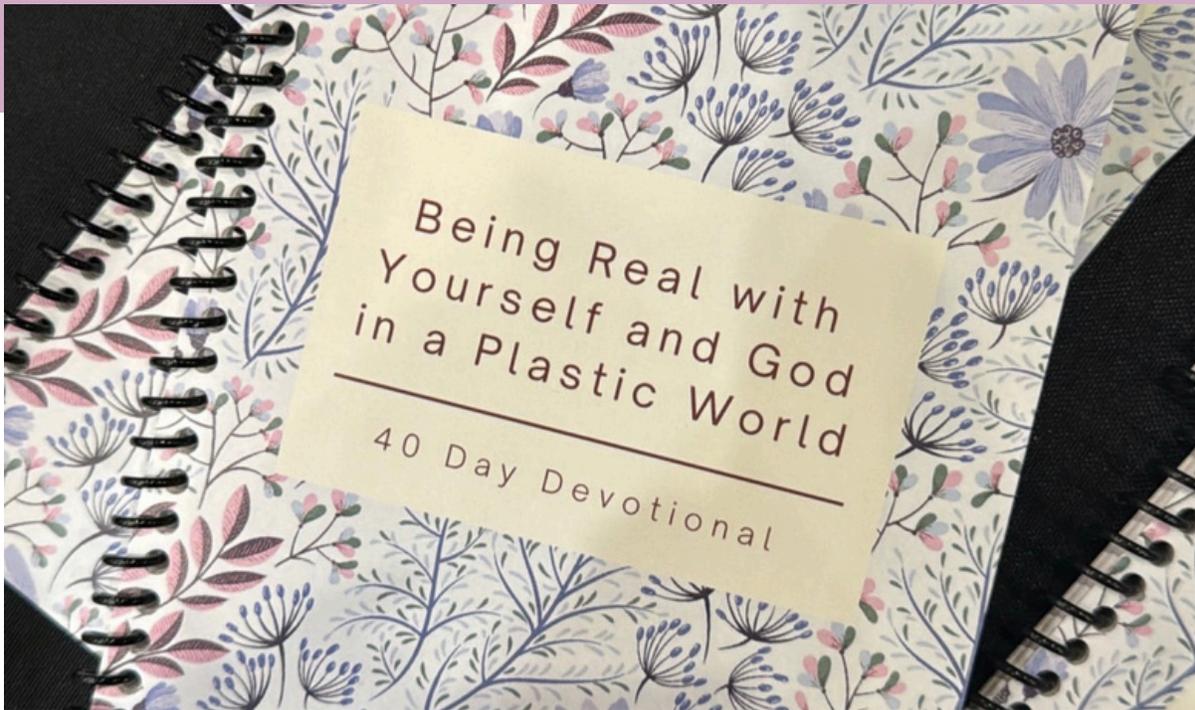

PRESENT AGE MINISTRIES – NOVEMBER 2025

In November 2025, Kingdom Kulture Ministries hosted our very first outreach event by volunteering with Present Age Ministries. Our team had the opportunity to serve hands-on while building meaningful connections with those in the community. It was an incredible honor to pour into others and represent the love of Christ in practical ways. This experience reminded us that ministry extends far beyond the walls of a building. We are excited to continue expanding our outreach efforts in the years to come.

DOVE'S NEST – DECEMBER 2025

In December 2025, we had the privilege of serving and spending time with the remarkable women at Charlotte Rescue Mission's Dove's Nest. Through meaningful conversations and shared moments of encouragement, genuine community was formed. Our team was deeply moved by the resilience, strength, and hope displayed by the residents. It was a blessing to offer support, prayer, and companionship during the holiday season. Opportunities like this continue to shape the heart and mission of Kingdom Kulture Ministries.

MEDIA

During 2025, our founder Tanya released ten episodes of the Kingdom Talk podcast, providing listeners with honest conversations centered on faith, personal growth, and navigating life through a biblical lens. Each episode offered encouragement, practical wisdom, and spiritual insight to women seeking deeper connection with God.

In addition, Tanya released the devotional *Being Real With Yourself and God in a Plastic World*, a 40-day journey designed to help readers cultivate authenticity, spiritual discipline, and intimacy with Christ. Together, these resources extended the reach of Kingdom Kulture Ministries beyond in-person events. They served as tools for discipleship, reflection, and ongoing spiritual development.
